# ABOUT US

SprayNeat began its journey with our first order on October 9, 2022, offering just three home fragrance sprays. Following this, we introduced a popular lineup of giveaways, including bukhour and matching bukhour giveaway boxes, which quickly captivated our customers. Soon after, we expanded our collection with the launch of our diffuser. We are thrilled to see our sales growing consistently and remain dedicated to enhancing your home with luxurious, personalized fragrance experiences.

SprayNeat provides fast, reliable delivery across Kuwait and the Middle East. Enjoy your favorite fragrances delivered right to your door.

Customers can conveniently send any of our products as gifts directly from our website.

SprayNeat promotes eco-friendliness through sustainable packaging, natural ingredients, refillable options, minimal waste practices, and carbon-neutral shipping.

Our customers consistently praise our products, with zero complaints.
